

## **KARIN ABT-STRAUBINGER Stiftung**

### **Grant guidelines**

---

The Karin Abt-Straubinger Foundation supports **non-commercial projects** realized in **Germany** in the area of **the visual arts**. Artists of **every age** can apply for a grant. Performing arts, literature and music cannot be sponsored. The **emphasis of the grants** are visual art projects, e.g. the production of specific art works and art happenings. **Publications and exhibitions are, as a rule, not sponsored.** A general (work) grant is also not possible. **Applications are accepted on a rolling basis and can be made at any time.** In general, **grants** are selected by the Karin Abt-Straubinger Foundation's Board, along with a jury of experts once a year. The jury deadlines and other deadlines can be found on the foundation's home page. At least five months should elapse between the application and project completion. The applicant **has no legal claim** to a grant.

**The grant amount is a maximum of 50 percent of total project expenditures.**

Grant funds will be transferred after the project is complete and upon proof of relevant production expenditures. Each grant amounts **to a maximum of € 3,000,-**. The costs for the whole project should not be more than € 10.000,-.

The **current application form** should be used. This can be downloaded on the [www.karin-abt-straubinger-stiftung.de](http://www.karin-abt-straubinger-stiftung.de) under "grants". Here, you'll find **current grant guidelines**, which are binding.

With each application, please attach CVs for the participating artists as well as a description of the project to be supported on a maximum of two DINA4 pages. The application format **may not exceed DINA4**. Online applications are not possible. **The postmark is valid as the date of receipt.**

Applications can only be considered when **a processing and material-return fee of € 12,-** is transferred to the following account:

Karin Abt-Straubinger Stiftung,  
IBAN: DE89 6007 0070 0130 5317 00, BIC: DEUTDESSXXX

In the case that a project is not selected, submitted materials will be returned via mail. The foundation assumes no liability for submitted material. Grants are administered according to a written **Grant Agreement** between recipient and foundation.
